

NORTHSHORE
COMMUNITY
FOUNDATION

2020 ANNUAL REPORT

FOCUSED ON THE GOOD

The Northshore Community Foundation unites
human and financial resources to enhance
the quality of life on the Northshore.

Responding in Real Time

Our pandemic **Emergency Relief Fund** was activated on the day that America was sent home. Within a few short weeks, we moved hundreds of thousands of dollars to organizations serving the most vulnerable among us. Recipients included human service organizations that address food insecurity, homelessness, health and wellness and trauma support.

A great deal of this emergency relief work was made possible by the generous support of **Chevron**, **Medline Industries** and **Blue Cross Blue Shield Foundation of Louisiana**.

Chevron has had a long-standing relationship with the Northshore Community Foundation. Our top priority will always be the health and safety of our workforce and the communities in which we operate. Chevron's hundred thousand dollar contribution to the emergency relief fund helped support area nonprofits and critical community needs.

— Leah Brown, Chevron

\$450,000
Emergency Relief funds deployed to support our neighbors in crisis.

As a longtime member of this community, Medline is proud to stand with the Northshore Foundation and organizations on the frontlines helping those who need it most.

—Nick Latino, Medline Director

1000 meals to frontline healthcare workers at SEVEN different Northshore hospitals

77 grants made to vital nonprofit organizations to aid them in fighting the pandemic

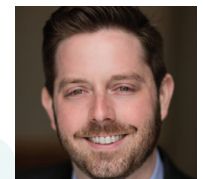

40 BOXES of PPE supplies distributed

TWO local hospitals have created relaxation rooms for stressed healthcare workers

The Blue Cross and Blue Shield of Louisiana Foundation is proud to partner with the Foundation in supporting the most vulnerable communities across Louisiana.

—Michael Tipton, President Blue Cross Foundation.

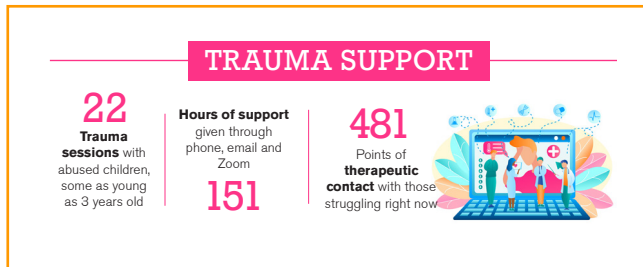

In any event of need, the Foundation doesn't wait to be asked but always reaches out to provide support in every way. During COVID-19 our Tangipahoa nonprofits were challenged to meet surging needs and the Foundation was there to provide financial support, we are so fortunate to have them.

—Tangipahoa Parish President Robby Miller

\$10,000 in gift cards purchased from local restaurants and stores to support local workers

Hurricane Laura work raises \$5.5 million in disaster philanthropy

The unthinkable devastation that overtook our friends and neighbors in Lake Charles from the Category 4 Hurricane Laura sent us into disaster mode once again. Partnering with our sister organization, the Foundation for Southwest Louisiana, we hit the ground working to support people and their most basic needs of shelter, food and medicine.

Our Foundation, the Community Foundation of Southwest Louisiana and the Baton Rouge Area Foundation work within a formal affiliation that maximizes our philanthropic service in South Louisiana.

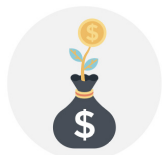

Our world changed when Hurricane Laura made landfall, and our colleagues at the Northshore Foundation were by our side, supporting us on the road to relief and recovery.—Sara Judson, CEO Community Foundation of Southwest Louisiana

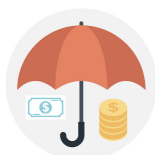

Economic Impact Study of the Pandemic on Northshore Nonprofits

The COVID-19 Pandemic has impacted every sector, demographic and population in the world and our local nonprofit community is no exception. To assess that impact and determine how best to serve them moving forward, our Foundation engaged researchers at Southeastern Louisiana University and commissioned an in-depth study into the economic impact and short- and long-term health of our Northshore nonprofit sector. This tool measures the programmatic and economic impact of COVID-19, its impact to budgets, both current and future, determine pressing needs and assess opportunities for collaboration and efficiencies moving forward. (Below is a sample of the summary.)

SECTION 1 – ECONOMIC HEALTH OF THE SECTOR

Total Annual Revenue
of 107 participating
organizations
\$304,113,385
(Table 23, Page 17)

Only eight of these
organizations have
Endowments
(Table 21, Page 15)

Ironically, the organizations that
were strong enough to have
Operating Reserves, reported that
they did not need to use them
(Table 82, Page 65)

Funds to Grants to Impact

Our fundholders make our grants possible. Because of them, we delivered **420 grants totaling \$1,375,000** to our hardworking nonprofits in 2020. Since 2007 we have made more than **\$21 million in grants** to the vital nonprofits that are the social fabric of our communities.

The Fund for Bogalusa Grant was presented to the City of Bogalusa to bolster their Parks Alive Program enabling park equipment to be made inclusive for handicapped and special needs' children to enjoy.

Educational futures

Scholarship funds at the Foundation help our local students see a pathway to a brighter future. Making higher education and talent-based scholarships within reach of our students creates life-changing opportunities. 25 students last year were granted \$230,000 to help make their educational dreams come true. Since inception, the Foundation has awarded more than 105 scholarships whose names are pictured on the facing page.

Aubrey St. Pierre, the 2020 South Slidell Swimming Scholarship recipient and graduate of Northshore High School, was a swimmer for the Lakeside Swim Team for the past 12 years. She is attending the University of Maine.

The Legacy of Our Friend Pat

Former Parish President Pat Brister was a leader, role model and advocate for people and causes that she was passionate about throughout her life. She was also a longtime friend of the Foundation and thanks to many generous contributions in her name, several initiatives in her memory were launched, including two scholarships and an ongoing nonprofit grant.

The two annual scholarships will be awarded to St. Tammany women who aspire to learn, serve, and make themselves and their world a better place, just like Pat did.

The **Pat Brister Legacy Scholarship** is a \$2500 scholarship to be given to a St. Tammany Parish public high school senior with a proven record of community service as she moves on to her college career.

The **Pat Brister Leadership Scholarship** is a separate \$2500 scholarship to be awarded annually to a woman who is seeking an opportunity to advance her leadership skills and apply those in her community on the Northshore.

The **Pat Brister Legacy Grant** will be offered a total of four times as an award of up to \$5,000 to support a local nonprofit who is impacting the Northshore and has a connection to Brister.

Pat recognized that her professional success was derived equally from education and diverse life experiences, and I am so proud that our Foundation is honoring her legacy in a way that will provide both traditional and nontraditional paths to leadership for women in our Parish. — Susan Bonnett Bourgeois, CEO of the Foundation

The Celebration of Pat's Legacy made possible by:

A LETTER FROM THE CHAIR

History will define 2020 as the year the world came to a halt. Across the country, nonprofits worried that their missions and the people they serve would be lost to this seemingly invincible pandemic. Through the haze, your community foundation, its staff and stakeholders, stepped up to lead the way. This report highlights many of our accomplishments in 2020. I hope that you join me in partnering with the Northshore Community Foundation.

Philanthropy is alive and well thanks to each of you.

—Todd Richard, 2020 Chairman

Knight Award to Ola Magee

Having started as a volunteer at a Head Start facility 50 years ago, Ola Magee's true passion for caring for others was always present. While she and her husband were raising four children, Ola went to night school and began rising through the organization with a reputation as a loving and devoted teacher, employee and leader at Regina Coeli Child Care Center. Ola (above) is our Third Annual Dick Knight Award recipient. Dick would be proud.

Dick Knight was a founding Board member of the Foundation and his steady leadership and commitment to service were invaluable assets to our organization and the entire region. To honor his service and legacy, we created this award to recognize and reward tremendous commitment in the nonprofit sector.

Giving something away never cost me anything, because you always see the benefit for somebody else.

— Dick Knight

Dick Knight Award

COMMITMENT • COMMUNITY • CHARACTER

THIS AWARD IS MADE POSSIBLE BY THE GENEROSITY OF RESOURCE BANK, THE GIA MAIONE PRIMA FOUNDATION AND THE FUND FOR BOGALUSA

Thankful

Ambassadors come in many forms. Those who believe in us and share that belief with others. Those who entrust us with their charitable giving by starting a fund at the Foundation and those who invest in our work. We are so thankful for the many kinds of ambassadors who continue to make our work possible.

Thank you.

Like us. Love us. Tag us. Share us.
